Celia-

Have you had a chance to review the supplemental discovery responses we sent on August 16? I think those address the issues you raised, but let me know if I am mistaken.

Yes, we can agree to those dates, subject to a trial setting that we have that week.

When can we expect Plaintiffs' supplemental responses to our discovery requests? I believe there are still quite a few outstanding issues outlined in my August 1st letter that have not yet been addressed. Please let me know if we need to discuss any of the requests at issue in further detail.

Thanks.
